DETAILED ACTION

Election/Restrictions

1. Applicant's election of Group I, claims 1-8, in the reply filed on December 9, 2004 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)). It is noted that Applicant inadvertently elected claims 1-8. Claim 8 is an independent claim that belongs with Group II. Thus, the Examiner reasonably construes the election to be of Group I, claims 1-7. Thus, claims 8-21 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected invention, there being no allowable generic or linking claim.

Claim Rejections - 35 USC § 103

2. Claims 1-7 are rejected under 35 U.S.C. 103(a) as being unpatentable over Price in view of Official Notice.

Applicant is directed towards the previous Office Action mailed April 30, 2004. Applicant's July 30, 2004 REMARKS have been reviewed, but are not convincing. The selector function is fully encompassed by the Official Notice given in the previous Office Action. That is "performing financial processing using computer software is common knowledge in the art" includes a selector function. Applicant does not traverse the Official Notice. Thus, Applicant admits it.

The term "selector function" is extremely broad in scope and content and does not obviate the combination reference. Likewise, the event attributes, attributes and event thresholding referenced by Applicant provide no line of demarcation over the elements disclosed by Price, in view of Official Notice.

Conclusion

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any

extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
